 - 7.4. The confidentiality obligation set out in Section 7 will be binding during the term of the Agreement and for a period of 3 (three) years after its termination or expiration.
 - 7.5. Service Provider undertakes to include in each Ad Creative displayed during performance of Services for the Client a direct link to the Service Provider Opt-Out page.
 - 8.4. The Client accepts that any matters related to the processing of the personal data of End-Users in connection with the performance of the Services, where the Client acts as the data controller and Service Provider as the data processor (including liability for any unlawful or inappropriate handling of such personal data) will be governed exclusively by the provisions of the data processing addendum available under the link: <https://www.adlook.com/dpa-2-0> ("Data Processing Addendum").

This represents the maximum foreseeable damage at the conclusion of the Agreement, and both Parties agree that the calculation of remuneration charged by the Service Provider for the Services is based on a division of risks between the Parties.
 - 9.5. Subject to Section 9.3 the Service Provider will not be liable for any damage connected with the provision of the Services and resulting from: (a) termination of the Order or the MSA or discontinuity in the provision of the Services as a result of the Service Provider's use of rights described in the Agreement and (b) action or omission, including the violation of any provision of the Agreement, by the Client or any third party for which the Client is liable.
